RE: John Mark Whatley Et AL.
vs
Zena Collins Stephens
Et AL,

Civil Action No. 1:21-cv-549

Dear Clerk

Greetings,

Plaintiff is being denied law library, a complete
ban of law library, jail administration seems to be
confused about providing Whatley access to law library.
Plaintiff has a fed. habeas corpus 2241 also it is
impossible for a litigant to prepare for a complex
litigation with^{out} a law library. Plaintiff request
sufficient access to U.C.C.F. law library, "in^{jury}
to, injury" grievance process tells me this is not a
grievable issue.

Please enter this into the court's record, denial
of law library, is jail administration's direct
retaliation to a prisoner's right to redress federal
claims.

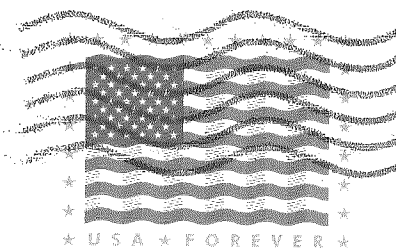

Sincerely

John Mark Whatley #199743
